

TRES Directory 2011/2012

Twin Ridge Elementary School

everychild.onevoice.®

2011/2012 Student Directory

We will be selling a TRES family directory again this year. The purpose for the directory is for parents to have phone numbers and addresses for birthday parties and play dates. The school cannot provide that information to parents. If you would like to be in this year's directory, please complete this form and return it to school by 10/18.

The cost of the directory is \$3 (\$2.83+6% tax). You will receive your purchased directory in your child's Thursday folder by mid-November.

**The PTA does not share this information with any third party. Any information provided is strictly for the directory.

The last date to submit forms with payment is October 18.
