

The FCPS Board of Education voted to delay a final decision on the redistricting plan.

- Staff will be developing 2 or 3 new options that meet the criteria of balancing enrollment and reducing the number of schools with high levels of poverty.

These options with maps will be presented at the BOE meeting on July 8th, 2009.

- The Board is also requesting a ruling on whether there is a conflict of interest in Board members making redistricting decisions when they reside within the study area or have a child or grandchild who is a student at a school within the study area. A decision is expected within 30 days.

The TRES PTA would like to keep families updated as information about redistricting becomes available.

Have a great summer!
